

## **Bwydlen Prynawn** Afternoon Tea

Welcome, thank you for joining us for Afternoon Tea. Someone once said “there is no trouble so great or grave that cannot be much diminished by a nice cup of tea”. A quote my late Gran would agree with. Enjoy!

Afternoon Tea was introduced in Britain in the early 1840's.

It evolved as a mini meal to ease the hunger before an evening meal, which, would usually be served late evening.

Afternoon Tea is made up of finger sandwiches, Scones with clotted cream and jam, pastries and cakes.

“there's not much better in life than a hot cup of tea, a nice  
view and rain”
